

A UNIVERSITY THAT ADAPTS TO YOU INSTEAD OF YOU ADAPTING TO IT. WHAT A CONCEPT.

At Kaplan University, before we teach you anything, we learn how you learn. With our Kaplan MyPath™ system,* we identify your interests and strengths, to help you create a personalized learning path designed to enable you to make the most of your talent. After all, when it comes to your degree, we need to be well educated, too.

A different school of thought.™
