

PRIVACY POLICY

YOUR CALIFORNIA PRIVACY RIGHTS

Beginning on January 1, 2005, California's "Shine the Light" law provides California residents with the right to receive disclosures about any sharing of their personal information with other companies.

If you are a California resident and you provided your personal information to Kaplan University ("KU"), then, once each calendar year, you may submit a written request for information about the information we shared, if any, with other companies for their use in direct marketing. To submit your written request, please send a written request to Attn: California Privacy Request, Kaplan Online Programs, Kaplan University, 6301 Kaplan University Avenue, Fort Lauderdale, FL 33309, with "Request for California Privacy" in the letter subject line. You must include sufficient detail for us to locate your file, at a minimum your name and postal address.

Within 30 days of receiving your request, we will send you a list of the categories of personal information disclosed to third parties for third-party direct marketing purposes during the immediately preceding calendar year, along with the names and addresses of these third parties.

We reserve our right not to respond to requests sent more than once in a calendar year, or requests submitted to an address other than the one posted in this notice.

Please note that the California "Shine the Light" law does not cover all information sharing. Our disclosure only includes information covered by the law.
